

## **JULIE LAMONTAGNE**

### ***Now What***

[Justin Time/EMI]

One of our best  
pianist/  
composers is

heard on eight of her compositions joined by her regular superb trio of Dave Watts, bass and Richard Irwin, drums and special guest, the superb saxophonist Donny McCaslin. Great playing, great music — one of the outstanding releases of 2009.

**9.5/10 Trial Track: “Lost In the Cycle” (Len Dobbin)**
